RULES AND REGULATIONS.

1.—THIS Society shall be called "THE HANTS AND WILTS ADULT EDUCATION SOCIETY."

2.—THE OBJECTS of this Society (*) are to promote the establishment of Literary and Scientific Institutions, Libraries, and Reading Rooms, and to encourage a spirit of inquiry and improvement, by the delivery of Lectures on literary and scientific subjects, and by the formation of Classes.

3.—THE MANAGEMENT of the Society shall be vested in the Committee, of which the Secretaries and Treasurers shall be *ex-officio* members. Three shall be a quorum.

4.—THE OPERATIONS of the Society shall include the counties of HANTS and WILTS, with such other places as by reason of contiguity, or for convenience sake, are accepted by the Committee.

5.—A GENERAL MEETING of the Society shall be held annually in the month of August, for the election of officers and transaction of business.

6.—The Society shall endeavour to promote LECTURES in the larger Institutions by a list of Lectures offered gratuitously to their choice, and in the rural and smaller Institutions on the principle of mutual assistance. For either purpose communications and arrangements should be made with the Local Secretary.

7.—THE TRAVELLING EXPENSES of the LECTURERS shall be borne by the Institution claiming their services.

8.—MEMBERS consist—1st, of annual Subscribers of £1, or Donors of £10; and 2dly, of Lecturers, whose services having been accepted by the Committee, have given or undertaken to give at least three lectures gratuitously, in the current year, to Institutions in Union, and without any compensation by mutual assistance.

9.—Members shall be entitled to admission to all lectures, and to the free use of Diagrams, Models, Apparatus, &c. in any Institution in Union, or in their own houses. Subscribers of 10s shall be entitled to admission to all lectures.

10.—Institutions in union with the Society of Arts, if within the terms of Rule 4, shall be entitled to free admission into union with this Society. Schools are admissible on payment of 5s per annum, and other peculiar Institutions at the discretion of the Committee. Ordinary Institutions and Reading Rooms shall be taken into union on forwarding to the Secretary an application to that effect from any member of the Institution who is also a member of this Society.

11.—In towns where more than one Institution is in union, the Lectures shall be open on the same terms to all members.

12.—Every Institution joining the Society shall be at perfect liberty to carry out its own rules on its own conditions, subject only to those of the Society.

13.—The Committee shall have the power of making GRANTS, and offering GRATUITIES or PRIZES, in furtherance of the objects of the Society.

14.—It being the object of the Society to promote and facilitate, but neither to arrange nor provide for the delivery of lectures, no member shall be considered in any way responsible for the lectures delivered in any Institution in union; nor shall the name of the Patron, President, Vice-Presidents, or of any Officer of the Society, in any case be used, without his express consent, as the patron of any lectures, course of lectures, or Institution in union.

(*) *Note.*—In these Rules the word SOCIETY is used to denote the HANTS AND WILTS ADULT EDUCATION SOCIETY. The term INSTITUTION is applied to other SOCIETIES, ASSOCIATIONS, INSTITUTES, SCHOOLS, READING-ROOMS, &c. in union with THIS SOCIETY.

BYE LAWS.

DIAGRAMS AND APPARATUS.

1.—No member shall detain the Diagrams or Apparatus more than a *fortnight* from the day of issue, under a penalty of 2s 6d forfeit for every day over time.

2.—All expenses, beyond the transit of the Diagrams, &c. by railway, shall be borne by the borrower, and charged to him if not paid when the Diagrams are returned to the Curator.

3.—No Diagrams, &c. shall be issued without the *written application* of a member, who shall be answerable for their safe return; and any damage occurring while they are in use, or through careless packing, will be charged to the borrower.

4.—Members on applying to the Curator for Diagrams, &c. *shall mention the Institutions* in which they are to be used, and the mode of conveyance.

N.B.—Much damage having been occasioned to Diagrams and Property of the Society, by rough usage and want of care in packing, the Secretary for Lectures earnestly requests more care in this respect, and begs to call attention to the Bye Laws.

BOOK LISTS.

1.—A List of Books required by any Institution or Reading Room in union must be sent in to the Secretary for book purchases of this Society, by whom they will be ordered through the Society of Arts at a reduced price, and transmitted to the orderers.

2.—The Secretary who sends in the List is desired to say in what way the Books are to be forwarded.

EXAMINATIONS AND CERTIFICATES.

1.—Members of Institutions or Reading Rooms in union will be admitted to the Examinations for Certificates on the same terms as Members of Institutions in direct union with the Society of Arts, provided they comply with the conditions of that Society, and present to the Examiners at the nearest place of examination, the necessary Certificate drawn up and signed by the Secretary of this Society.

2.—In the case of Members of Reading Rooms or Institutions located in villages, attendance at an Evening School and Lectures in connection with the Reading Room will be accepted in lieu of Classes otherwise required.
